Ebix Smart class Educational Services Pvt Ltd.
Gurgaon,

Dear Sir/Madam,

We are very pleased to share that the Smart class is being used by the teachers in our school.

We are happy with your cooperation of Smart class initiative. We accept the new challenges and milestone to discover new learning.

The content offered by you is useful for our students. This technology has made the teaching learning process easier for our teachers and students.

We are satisfied to use Ebix Smart class services in our school.

All the best to the entire team.
