Ebix Smartclass Educational Services Pvt. Ltd.  
Gurugram, Haryana

We are happy to announce that our teachers found relative content related to the curriculum we are following. Teachers found the smartclass application provided easy to use. It also provides that all content which fulfill their all requirements related to teaching. They can easily find animations for explanation, MCQ for quick assessment, sample papers/ Home assignment for home work.

We also thank organization for conducting timely workshop for our teachers.
