Dear Sir/Madam

We are pleased to share that smartclass is successfully running in our campus.

We are satisfied with your cooperation of our initiative smart class. The content offered by you acts as an important teaching aid and is useful to all our students. The additional tool provided are effective in senior class teaching and various virtual simulation software solves the purpose of actual lab experiments.

In addition to the features provided by the smartclass we really appreciate the efforts done by the employees to make it effectively running.

We are satisfied with all the products and recommend them as a need of future. We wish EBIX SmartClass a huge success!

Thanking you,
